

Call for applications

Open PhD Positions 2026

Apply to the IMPRS-QST and the MQV Doctoral Fellowship program

Join top German research in quantum science and technology in Bavaria as a part of IMPRS-QST or Munich Quantum Valley. The doctoral fellowships are open to physicists, engineers, or computer scientists dedicated to work in the field of quantum science and technology. You may apply for one or both fellowships.

Deadline: 15 January 2026
